■抱き枕カバー② (180x50cm)

No, it's ok,
I'm a poor
teacher. I can't
afford getting
married and I'm
not really
interested.

Huh?
An
omia?

Yeah
I'm
doing
ok

Hurry up
and make
me some
Grandchild-
dren

I know, I
know, you
don't have
to remind me.

It's not like
I'm going to
be around
forever

You should go
find a wife and
settle down

What
are you
talking
about!?
Look at
how old
you are!

I mean,
even your dad
is still quite
good with his
Buddy!

Huh?

You shouldn't
be using him
all alone. Use
him on
someone
sometimes

What
the
hell!?

Put your
special Buddy
to use instead
of just let-
ting him just
hang there
like junk

Ah!
Wait
mo...

You
should
work hard
like your
father!
Well
then, Bye!

What the hell is she thinking, tell her son that ...

The fucking hell!? Why the fuck is she getting horny at her age!?

I'm sorry it's "trash" I'm FUCKING SORRY I ONLY USE IT FOR MYSELF!!

What the hell is she talking about ...

What the hell does she mean "trash"...

元祖鶏ガラ
チキンラーメン!

trash

sigh ...

A partner ...

I need a partner ...

Meh

Even if I wanted to give her grandchildren

Itou's

Can't make children there

Mr Kojiro that's the wrong place

Like Kirino?

I'll try hard!

I'm inexperienced but...

Please give me enough cum to make five babies... Right here

But then again, If I wanted a wife it'd be Menchikatsu rather than Kirino...

We can have a group battle then!

Mr Kojiro ... I want at least 5 children

And Kirino's a really good girl and she would make a great wife

But! If it's Dan's child I would make as many as he wanted

My magnum's great, Miyamiya. Any girl would love it

Miyamiya ... well,

The hell? You wanna make babies? What the hell are you saying

She's massively in love with Dan, so I guess it's impossible

Dan~
♡

If it were just for looks, she'd be the top of my list

He'd be super cute!

I want a Baby just like Dan!

Damn you DAN

It doesn't matter if she's a Bitch, I'm so JEALOUS

Unforgivable
グッ

Damn DAN
グッ

Thinking of her
makes me feel
kind of Bad
though... she's
such a klutz

Azuma, well
she'd get in
the mood if
you stroked
her ego a bit.

LET'S WORK
HARD TO
MAKE
BABIES

COME ON!

A black and white manga page depicting a kendo match. In the foreground, Kojiro is shown from the chest up, wearing a gi and hakama, with his arms raised in a powerful stance. He has a determined expression. Behind him, Tama is being held back by two other students, looking distressed and crying out "あぁ!!". To the right, another student is shown in profile, looking shocked with a speech bubble saying "え...?". In the background, several other students are watching the match with expressions of surprise and concern. One student says "Oh ... there!", another says "NOT", and a third says "I WOULD". A large speech bubble from Kojiro reads "YOU'RE TOO STRONG MR KOJIRO!". Another speech bubble from Tama says "LOSE TO HER EVER!!!". The scene is filled with dynamic lines suggesting movement and intensity.

Oh ... there!

NOT

I WOULD

あぁ!!

え...?

LOSE TO HER EVER!!!

YOU'RE TOO STRONG MR KOJIRO!

[illegible]

Oh ... there

NOT

I WOULD

あーん ひい

I can't beat Tama at normal kendo... But if it were this kind of Kendo...

え...?

and thrust

LOSE TO HER EVER!!!

YOU'RE TOO STRONG MR KOJIRO!

It's ■ Bit hard to tell who some of these people are, But this is Fuuka. Even though this is a Bamboo Blade doujin, I wanted to draw her badly. She's so cute, like how her legs are a bit fat and her waist is a bit chubby . . .

Afterword

It's been a long time, I'm TONY. Thank you for purchasing Kiteruyo! Takeuchi-kun! I didn't have much time this time around, and I kind of regret some of the material. My biggest regret is that I couldn't make the manga section longer. I kept cutting pages so it ended up more as a character introduction. I wanted to write more on Tama... But I really like Miyamiya... with Dan, of course! They are really cute together. Blah Blah

HxHxH scans

So, first release from HiroshixHimexHentai
scans. Could've been released a week earlier, but
hey, I'm a lazy Bastard.

Translation: Himeyasha
Rawr Provider: Hell if we know
"Fire" redraw on page 23: Aquafina from
SCX-Scans
Everything else: Hiroshi, aka the mofo who
made this crappy, rushed credits page

Also, you may have noticed that noone bothered
redrawing the Afterword page, for obvious
reasons.

Hope you enjoyed it, and remember, Bounty is
easier to clean with than Kleenex

Keep fapping,
Hiroshi
